Project: Library Management System

Prepared by: Om Mistry (2401030730001)

1. Login and Registration Page:

The login page features a white card centered on a background with red and orange wavy patterns. The card has the 'My Book Shelf' logo at the top, followed by a 'Welcome Back!' message and a link to sign in. Below this are input fields for 'Email' (containing 'username@collegename.ac.in') and 'Password' (masked with dots). There are checkboxes for 'Remember me' and a link for 'Forgot password?'. A prominent orange 'Login' button is at the bottom of the form. At the very bottom of the card, there are links for 'New User? Register Here' and 'Use as Guest'.

New User? [Register Here](#) [Use as Guest](#)

The registration page follows the same design language as the login page. It includes the 'My Book Shelf' logo, a 'Registration' heading, and a note that it is for both staff and students. The form contains input fields for 'Reg No.', 'College Reg. No.', 'College Email ID' (with 'username@collegename.ac.in' as a placeholder), 'Password', and 'Confirm Password' (both masked with dots). An orange 'Register' button is positioned below the password fields. At the bottom, there are links for 'Already a User? Login now' and 'Use as Guest'.
